

The Chairman, in his closing remarks stated that;

- ❖ The meeting which was aimed at getting feedback/views to ensure that the citizen' views, opinions and contributions are collated and captured in the 2021 budget is a success. He thanked the participants for honouring the invitation and participating actively.
- ❖ He informed the gathering that Gombe State is working out modalities with Federal Ministry of Agriculture and NIRSAL Bank to boost agricultural outputs in the state vigorously through the grant of soft loans and subsidies.

The Chairman while declaring the meeting closed expressed his gratitude to all, assuring them that their contributions are invaluable and will all be considered during the harmonization of the 2021 budget. He wished them all journey mercies back to their various destinations.
