The individual and consolidated financial statements of the 11 local governments are prepared in compliance with International Public Sector Accounting Standards – Cash Basis. Part II from page 108 contains the domestic reports for each of the 11 Local Government Councils.

Responsibility of the Local Government Councils

Each Local Government Council is responsible for the preparation and fair presentation of its financial statements in accordance with International Public Sector Accounting Standards (IPSAS) - Cash Basis, Gombe State Financial Memoranda (FM) and the relevant laws. This responsibility includes maintaining internal control relevant to the preparation of financial statements that are free of material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies that are consistent with IPSAS – Cash Basis; and making accounting estimates that are reasonable in the circumstances.

Responsibility of External Auditors

The responsibility of the External Auditors is to express an opinion on the financial statements of each local government council based on their audit in accordance with International Standards of Supreme Audit Institutions (ISSAIs) and International Standards on Auditing (Adapted as Nigerian Standards on Auditing) relevant to public sector. Those standards require that the external auditors plan and perform the audit to obtain reasonable, but not absolute, assurance whether the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the Council's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Councils and the overall presentation of the financial statements.

Responsibility of Auditor General

The Auditor General is responsible for undertaking regularity and performance audits in compliance with International Standards of Supreme Audit Institutions (ISSAIs) - "INTOSAI Auditing Standards" and the relevant laws stated in paragraph one (1) above on the accounts of the 11 Local Government Councils and review their respective audited financial statements. Having complied with ISSAIs, the relevant laws and applied the Generally Accepted Auditing Standards, the audit provides a reasonable basis for the opinion of the Auditor General on the consolidated financial statements of the 11 Local Government Councils.

During the year, I successfully completed reviews of activity-based audit, performance audit, and compliance audit. The Financial Statements for each of the 11 local governments disclose completely the financial allocation received from the State - Local Government Joint Accounts and Allocation Committee (SLJAAC) for the year 2022.

Opinion

In my opinion, the individual financial statements give a true and fair view of the financial position of each Council as of December 31, 2022, and of its financial performance and its cash flows for the year then ended in accordance with International Public Sector Accounting Standards – Cash Basis, Financial Memoranda and the relevant laws.
